## Professional Summary

Creative multimedia specialist with 10+ years of experience in video editing, animation, and digital design. Expert in creating scroll-stopping content for iPaaS, SaaS, ERP, and education sectors. Over 500 videos produced to drive engagement, leads, and brand awareness. Strong in end-to-end project execution, cross-team collaboration, and visual storytelling.

## Experience

### Multimedia Content Creator

*QuadKor / HubKor* | 2024 – 2025

- Created videos and graphics to explain ERP, iPaaS, and SaaS products clearly and engagingly.
- Designed brochures, infographics, and improved website pages to make them easier to use.
- Worked with the marketing team to make sure all visuals supported product messaging and lead generation.

### Multimedia Artist & Web Designer

*Freelance – Motion Mind / Fiverr* | 2020 – Present

- Made custom videos, websites, and graphics for clients in different industries.
- Built WordPress and Wix websites that matched clients' branding and helped attract more customers.
- Delivered high-quality work with consistent 5-star feedback from clients.

### Course Creator & ESL Coach

*Freelance* | 2017 – 2024

- Taught English to students worldwide, adapting lessons to their needs and levels.
- Created full learning programs with lesson plans, videos, and interactive activities.
- Managed course websites and added videos and materials to make learning more fun and effective.

### Primary & ESL Teacher

*Department of Education* | 2011 – 2017

- Taught English and other subjects to elementary students using fun and interactive methods.
- Helped students prepare for public speaking contests and academic events.
- Joined regular training sessions to improve teaching techniques and student engagement.
